

It's time to ask for your support with this year's Serve-a-thon/Shoot-a-thon on March 19, 2010, which is our annual fundraiser for Compass Aviator sports programs. We only do one fundraiser per year, so this is it! The first \$100 of each student's funds will go directly toward their sports fee, so you are directly helping the student! Any additional funds raised help support the purchase of equipment, uniforms and other expenses to make the athletics program completely self-supporting.

If you can make a tax-deductable donation, please make your check out to Compass Public Charter School Boosters and return it with the bottom part of this form to: Compass Public Charter School Boosters, 2511 W. Cherry Lane, Meridian, ID 83642.
