

## Elementary School Enrollment for 2010-2011

Enrollment for *returning* Compass students:

- Student Profile: check your student's information on the form and make changes in the Corrections column. Please complete the Field Trip Permission, Media Permission, School Directory and Emergency School Closure Plan sections and sign both pages.
- Policy Signature Page for each student: Please go to our website at [www.compasscharter.org](http://www.compasscharter.org) to read the Policies before you sign the signature page. For elementary school students, click *Students*, then *Elementary/Middle School Student Handbook/Policies*. Copies of the complete Policies are also available in the school offices.
- Student supply list: Supply lists will be available on the website or in the school office near the end of this school year. Please send these supplies with your student on the first day of the 2010-2011 school year.
- Transportation form, please complete this form (1 per student) only if:
  - \* you did not use bus transportation this year and you need transportation next year
  - \* you used bus transportation this year and your address has changed

Forms are available in the office or on the website. If your student rode the bus this year, Brown Bus will continue to provide the same transportation for the coming school year.

- Free or Reduced Breakfast and Lunch information: This form must be completed each year to qualify for free or reduced meals. The application form will need to include financial information from July 2010, therefore you may print the form from the link on the website and mail it to the school during the summer break or pick up a form at the school office at the beginning of school next year. Please note that your student will only be able to have free or reduced meals once the application has been approved.

Please return the Student Profile and Policy Signature Page to school by Tuesday, April 20 in order to complete enrollment for your student for next year. If you need additional forms, they are on the website at the above web address or in the school office. If you have any questions, please call the office at 855-2802 or email [secretary@compasscharter.org](mailto:secretary@compasscharter.org).
