

Student Handbook / Policies

Signature Page Only

Dear Parents,

To promote a positive school experience, we are providing the following information. Please read the Student Handbook and discuss it with your family so that your child can understand, especially the sections on behavior expectations, discipline policy, bus privileges, and dress code. The handbook is on the website at www.compasscharter.org or available in the school office.

The Compass Public Charter School's mission is to prepare each child with a personal compass that will guide them in life's directions. Our goal is to develop students who are competent, confident, productive, and responsible young leaders who possess the academic achievement, habits, skills, and attitudes to succeed in high school and be offered a post-secondary education and satisfying employment. This mission seeks to develop an educated citizenry through a dynamic and interactive academic program where pacing is driven by student capabilities, not textbooks.

Thank you,

The Compass Public Charter School Administration and Staff

I have reviewed the Student Handbook with my student and we understand how it applies to him/her.
